A MESSAGE FROM THE ARTISTIC DIRECTOR

Bach Akademie Australia presents our 2022 season with four programs featuring J.S. Bach and his contemporaries centred on the theme of 'Bach and the art of dialogue'.

The art of dialogue is a world unto itself. It is the art of debate, of listening, of meaningful communication and interaction. A dialogue implies an exchange of ideas and opinions, creating a verbal dance. Words sparkle and dance, souls will stir when vibrant dialogue is present. So can music.

We very much hope to see you in person for another year of celebrating the genius of J.S. Bach.

Madeleine Easton - Artistic Director
